CLEAR ACRYLIC POLYURETHANE SB TOPCOAT TZ7205/00 5 GLOSS

Sayerlack **TZ7205/00** is a deep matt two pack clear acrylic polyurethane topcoat for interior, designed to emphasize the natural charm of the wood, while keeping it protected.

It performs greatly on every surface subjected to difficult conditions, such as those of kitchens and bathrooms, and every other piece of furniture of the house where anti-scratching and resistance to detergents are a must.

Being a clear 5 gloss, it significantly enhances the wood pores, granting that stylish natural effect that is synonymous of elegance and coziness.

TZ7205/00 has excellent characteristics, providing a special softness to the touch to any wooden substrate.

Application on acrylic basecoats is recommended, although its characteristics remain unaltered even when it is used as a self-sealer.

When it comes to physical performances, **TZ7205/00** ranks 5/5 according to internal tests to UNI EN 12721 and 12722, the European Standards for the assessment of surfaces resistance to wet and dry heat.

The same result, 5/5 on internal tests, has been accomplished according to CEN/TS 16209, in reference to the classification for the resistance to abrasion, scratching and microscratching.
